

GREENER PRIMARY CARE WALES FRAMEWORK & AWARD SCHEME 2024

Why you should get involved

- Join others taking action and learn from your peers about what works and how easy taking action can be; **take a look at our Yearbook from Year 2 for some inspiring insight**
- Receive a nationally recognised award
- Professionally developed scheme in its third year of operation
- You are in control by choosing which actions you'd like to work on
- Actions are clinical and non-clinical meaning the whole team can get involved
- Categories cover all areas of your business and can help make your business more efficient, and in some cases save money
- Endorsed by the Minister for Health and Social Services, the Minister for Climate Change and the Future Generations Commissioner
- It's free!

About Us

The Greener Primary Care Wales Framework & Award Scheme was developed by the Primary Care Division, Public Health Wales. It is a collection of actions to support community pharmacy, community dental practice, community optometry and general practice to improve the environmental sustainability of their day-to-day practice to reach the Welsh Government's Net Zero Target.
